The minutes were accepted.

Matters arising from previous minutes: The top of the Ziggurat didn't cope with the high winds so this will have to be redone. The annual lunch will be 12-12.30. Derek has emailed about the information boards.

1. Wild flower area. This has been agreed, SPIOTA has no objection.
2. Co-op funding. Caroline Rathmell made some suggestions and reminded us to choose SPIOTA if we are Co-op members. One consideration was blanket crocus planting on West Green. The other possibility was to make a difference to the bed at the perimeter of The Co-op, opposite Tindalls. Further information will be sought.
3. Tools Storage Tools will now be kept in the cupboard.
4. Thursday Work. Weather permitting, we will recommence on the first Thursday in March. Any extra bulbs can be planted.
5. Any Other Business. The frequency of meetings could be every two months in future.
